

CURTO

Arborina Barolo DOCG 2011

CURTO

Truffle, new leather, pressed blue flower, menthol and a whiff of game lead the way. The aromas carry over to the ripe, full-bodied palate along with fleshy black cherry, steeped prune, cinnamon and star anise. Buffed tannins provide the framework. It's already accessible but will maintain well for the next several years. Drink through 2023.
