

# LA QUERCIA

Montepulciano d'Abruzzo D.O.C. 2010

relatively soft, easy-drinking casual wine that's made from the native montepulciano grape without oak and is all about the fruit – blackberry and blueberry tastes with a hint of unsweetened chocolate on the finish. When you breathe it in, it fills the nose with these dark fruit aromas. It's delicious on its own and, as I said, is a versatile wine for all kinds of Italian and other dishes at a price that can't be beat.
